10. Recruitment Practices Documentation

Business and Financial Services Program Recruitment Activities

The Centennial High School Business and Financial Services Pathway actively recruits prospective students through a comprehensive outreach plan targeting current high school students, middle school students, parents, counselors, registrars, administrators, and community stakeholders.

High School Student Recruitment

- Conduct classroom presentations and pathway information sessions for current students during course registration periods.
- Share information about Business, Financial Services, and Computer Science pathways through course advisement activities.
- Promote pathway opportunities, industry credentials, work-based learning experiences, and FBLA participation during school events and announcements.
- Showcase student achievements, competitions, certifications, and career opportunities through social media, newsletters, and school communications.

Middle School Recruitment

- Annually host an **Open House/Pathway Exploration Session in January** for students and families from our feeder middle schools:
    - **Haynes Bridge Middle School**
    - **Holcomb Bridge Middle School**
- Invite rising ninth-grade students and parents to learn about high school electives, career pathways, industry certifications, and leadership opportunities available through FBLA.
- Provide presentations highlighting pathway courses, student projects, career opportunities, and post-secondary options.

Counselor, Registrar, and Administrator Outreach

- Develop and distribute annual pathway flyers and promotional materials summarizing:
    - Business & Finance pathway course offerings
    - Career opportunities

    - Industry certification opportunities
    - Dual enrollment and work-based learning opportunities
    - FBLA leadership experiences and competitive events
- Provide pathway information and recruitment materials to school counselors, registrars, and administrators to support student advisement and registration.
- Meet with counseling staff during registration season to review program updates and enrollment opportunities.

Administrative Communication

- Provide periodic updates to the school principal and CTAE administration regarding:
    - Program enrollment growth
    - Industry Certification progress
    - Student credential attainment
    - FBLA chapter membership and accomplishments
    - Competitive event participation and awards
    - Community involvement and advisory committee activities

FBLA Promotion

- Promote participation in **Future Business Leaders of America (FBLA)** as an integral component of the pathway program.
- Share chapter accomplishments, leadership conferences, competitive event results, community service projects, and membership growth with school leadership, students, parents, and counselors.
- Utilize flyers, presentations, school announcements, newsletters, and social media communications to increase awareness of FBLA opportunities.
